

ISABELLE MINN ASLA, LEED AP

Principal

Isabelle has over twenty years of experience in community-based design and planning. Her work has focused on landscape architecture and urban design, with an emphasis on the protection of open space and natural resources, as well as on improving and greening our urban areas. She has managed a wide range of projects from large, open space master plans to urban forestry plans and site planning and design projects. She strives to create a balance between protecting resources and increasing public access. Isabelle has developed multi-disciplinary studies addressing physical, biological, cultural, and policy issues that affect watersheds. She has also managed many trail planning and design projects, from large-scale trail master plans to construction documents, and she is an expert on the development of urban greening projects. Recently, Isabelle's work has emphasized meeting park and open space needs in park poor communities.

HIGHLIGHTS OF EXPERIENCE

Open Space and Trails

- San Vicente Redwoods Public Access Plan, Santa Cruz County CA
- Los Angeles County Trails Assessment and Mapping, LA County CA
- Cloverdale Ranches Alternatives Planning, Pescadero CA
- La Honda Creek Open Space Preserve Master Plan, La Honda CA
